

INSIDE INFORMATION ON FIRE INSURANCE

San Francisco, Cal., Aug. 7, '06.

TO AGENTS:—

The acceptance of an assignment of claim for return premium, in part or full payment of a premium on a policy issued in substitution of a policy of a retiring company, is a rebate and will constitute a violation of obligation.

ALFRED STILLMAN,
Secretary Executive Committee.

The above letter shows the scheme to fool the policy holder into the belief that unearned premiums due from bankrupt insurance companies can be credited on new policies rewritten in other companies. But the policy holder will find, when he comes to pay his premium on the new policy that he will have to pay the premium in full in cash, and look to the bankrupt company, himself, for the unearned premium.

The Oregon Fire Relief Association has a plan of its own. Over \$164,000 saved to policy holders in Oregon last year.

See DUNSMORE in the Schmidt Bldg.
He will tell you all about it.

There is nothing so pleasant as that bright, cheerful, at-peace-with-the-world feeling when you sit down to your breakfast. There is nothing so conducive to good work and good results. The healthy man with a healthy mind and body is a better fellow, a better workman, a better citizen than the man or woman who is handicapped by some disability, however slight. A slight disorder of the stomach will derange your body, your thoughts and your disposition. Get away from the morbidness and the blues. Keep your stomach in tune and both your brain and body will respond. Little indiscretions of overeating can be easily corrected and you will be surprised to see how much better man you are. Try a little Kodol For Dyspepsia after your meals. Sold by Tallman & Co.

Baker City Fair.

The fair will be one of the greatest ever held in Baker City, and the speed contests will be participated in by the highest grade of horses ever brought to this track. The track is in good shape and will be further improved before the September meeting. The La Grande and Pendleton fairs will follow Baker City and most of the horses on exhibition here will also be entered in those meets.—Baker City Democrat.
